Truyts import

MELAMINE

Truyts melamine is a high quality material made up of several plastic components. Its glossy coating makes it difficult to distinguish from china. It is practically unbreakable and extremely durable.

- Melamine BPA free
- Oven safe up to 140 °C
- Dishwasher safe

CAFÉ TRAY

Polypropylene

- Traditional, lightweight and scratch-resistant tray with a lightly structured surface to reduce the risk of things sliding about and help avoid spills
- The trays have raised edges for easy stacking and drying
- We recommend cleaning the trays by hand

PARTY RENTAL & CATERING

Just like every great outfit needs the perfect accessories to complete it, an event is only as memorable as its finishing touches. Party rental and catering offerings need to be as Instagram ready as the guests. Create experiences, from lavish weddings to refined corporate events, that people will remember - we supply the products that serve happiness around the table.

Invite us to the party

LEISURE & TOURISM

In the age of endless AirBNB options and killer reviews, glassware that's lost its shine and tired crockery just doesn't cut it in holiday homes. Customers expect an experience that marries convenience with luxury - that can be a difficult balance to get right, but we've perfected it. Wegter's wide-ranging assortment for holiday homes will inspire and delight. We'll work with you to prepare complete packages to furnish kitchens and tables, and cleaning kits. Hospitality is what we deliver, along with happiness around the table, because sharing a good time should be easy.
