SERVING SOLUTIONS

Dear Rosseto Partner,

We are proud to have you as an integral part of our journey as a company specializing in creative high-quality products for the hospitality and food service industry.

At our core, we are passionate about bringing ease-of-use, durability, and style together in everything we design, and we couldn't do it without you.

We are grateful for the partnerships we have formed over the years and understand that our success is due in large part to your support and loyalty.

We work tirelessly to exceed your expectations and strive to create innovative solutions that meet specific needs and requirements.

We take great pride in manufacturing many of our products in the USA using the highest quality materials available.

Our goal is to design products that are not only functional and innovative, but also stylish and appealing to the eye.

Thank you for being an important part of our journey, and we look forward to continuing to work together to enhance the guest experience in the hospitality industry.

Sincerely,
Tamir Levy & Gil Gold

MAKE YOUR TRUE COLORS SHOW

SURFACES

Fortune favors the bold.
Create a dramatic display that will capture the attention of your guests with an array of surfaces to choose from.

Bamboo
Not all bamboo is created equal. We use the highest quality bamboo available. We designed a custom three layer system that prevents warping and damage. Keep in mind that bamboo is a natural, live material and reacts to changes in temperature and humidity.

Tempered Glass
All of our glass is toughened or tempered. This means that it is processed by controlled thermal treatments to increase strength and safety. Choose from both clear and black.

Walnut Finish
Luxurious deep brown hues makes walnut the perfect finish for any high end buffet or food display. Relatively heavy, hard and resilient, it can stand up to your toughest guests and is naturally resistant to warping.

Kalderon Handmade Glass
All made with love by top designer Danny Kalderon, with an emphasis on exotic colors and patterns.

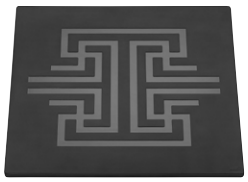

Acrylic
Durable and easy to maintain, this material is perfect for high traffic use or in places where glass would be a safety concern (like poolside or lobbies). Available in black.

HPL
Durable water & heat resistant, high pressure laminate

Melamine
Made to last, resistant to scratches and waterproof, this easy to clean material is great for any buffet.

SKYCAP® CART

"In hospitality, everything has to move, and move quickly. You are setting up parties all day, one after the other, with different levels of staff often having to assemble and transport these items across an entire hotel. So, you need products that not only can withstand that type of heavy use, but will maintain their visual appeal." Tamir Levy.

When you buy a Rosseto® product, we know that you want to use it for years to come. You want it to stay looking just as good as the day you bought it, 6 months and 20 events later. Don't worry we have a solution for that too. Loaded with custom shelving and velvet-lined surface cases, the Sky Cart makes transporting, storing and maintain your Rosseto® products incredibly simple.

Please note: all Sky Carts need to be ordered with surface cases.
