The original Craft

Steelite is proud to introduce four new shapes to the iconic craft collection, bringing a stacking element that adds an exciting dimension to the tablescape. Craft is inspired by hand-crafted, simple country wares made by generations of potters over hundreds of years. The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur naturally in the kiln. The gem-like glazes married to simple forms and shapes produce a unique and individual appearance, giving Craft a rustic “joie de vivre”.

Creativity, expression, pure

This new Fine China collection in this luminous and translucent body is the expression of blank canvases for food presentations. The purity of the shapes, whether used singularly or in compositions, speaks of a refined dining experience. White Album is an ode to the creativity and narrative for each chef to explore.
